OpenHIE Leadership Model

What does it mean to be a leader in the OpenHIE community?

1. Exemplify, maintain, develop OpenHIE’s mission, vision and values
   a. HOW: Group process using One-Text model every 2 years
   b. HOW: Have a place where people can give input between revision cycles
   c. HOW: Clearly lay out logistics for timing (ie. last edited, next time window)
2. Develop and manage the short term (ie. 1yr) and long term (ie. 5yr) OpenHIE strategy
   a. HOW: develop structure for describing OpenHIE strategy using examples from other strategic plans
   b. HOW: develop 18 month strategy document using a facilitated stakeholder process
   c. HOW: develop five year OpenHIE strategic plan, to be reviewed at least yearly
3. Further develop and manage the community’s organizational structure
   a. HOW: Document the organization structure
   b. HOW: Review and revise the structure on a yearly basis.
   c. HOW: Generate survey to users of the community to see if their needs are being met with the current organizational structure.
4. Oversees modifies community meeting schedules and artifacts (virtual and in-person)
   a. HOW: Document the calendar and the process for engaging on the wiki
   b. HOW: Provides effective communication structure for successful meeting
5. Provide oversight to the Architecture Review Board (ARB)
   a. HOW: Review and provide input to ensure an effective and efficient release process
6. Manages the OpenHIE release roadmap (what goes into each release, and when?)
   a. HOW: Document the release roadmap
   b. HOW: Document and manage the release process itself
   c. HOW: Establishes the scope of a given OpenHIE release (what does each release have inside it?)
7. Assist/advise in prioritizing activities within the sub-community roadmaps
   a. HOW: Once a year each of the leads will provide collective leadership input prior to being approved
   b. HOW: Ensure that the sub-community roadmap is documented each year, and kept current
8. Adjudicate requests that generically come to the community (ie, country implementation and presentation opportunities, training)
   a. HOW: Create a formal process for sharing and requesting opportunities
   b. HOW: Sharing opportunities for education around OpenHIE
9. Encourage broad sharing of country implementation activities
   a. HOW: Develop ways to expose implementations (ie. Implementer Spotlight, website, case studies)
   b. HOW: Regularly surveying the landscape of implementations
10. Encourage engagement of a broad representation of people in OpenHIE processes
    a. HOW: Represent OpenHIE at organizational opportunities
    b. HOW: Define key stakeholders to engage
    c. HOW: Deepen social media strategy
    d. HOW: Create engagement strategy for communicating with key stakeholders
11. Determine overall governance model
    a. HOW: Determine new leadership participants
    b. HOW: Develop and iterate a governance model for OpenHIE
    c. HOW: Review yearly leadership participant make up
