

Mailing Lists

The OpenHIE community historically has maintained several mailing lists for announcements and communication.

In December 2019 all messages and conversations from groups marked "[List Archived](#)" were migrated from Google Groups to OpenHIE Discourse at discourse.ohie.org.

Group	Description
<p>(*For links to these communities and their resources CLICK HERE.)</p>	
<p>Client Registry Community List Archived</p>	<p>This list is used for OpenHIE community discussions. There are also technical discussions had on two forums, one for users and one for developers. The forums are readable by everyone but in order for someone to post a question, they need to have an account. Unsubscribe: client-registry+unsubscribe@googlegroups.com</p>
<p>DevOps Community List Archived</p>	<p>The goal of this group is to build a sandbox in the cloud to mirror the RHEA setup. Unsubscribe: ohie-devops+unsubscribe@googlegroups.com</p>
<p>Facility Registry Community List Archived</p>	<p>A community of technologists and implementers supporting health facility registries and master facility lists. Join our google group to receive routine updates, event information, and ask your questions. Unsubscribe: facility-registry+unsubscribe@googlegroups.com</p>
<p>Health Worker Registry Community List Archived</p>	<p>Used for all provider registry project communications. Unsubscribe: provider-registry+unsubscribe@googlegroups.com</p>
<p>HMIS Community List Archived</p>	<p>Used for all project communications for the health management information system. Unsubscribe: open-hmis+unsubscribe@googlegroups.com</p>
<p>Interoperability Layer Community List Archived</p>	<p>Used for all project communications for the Interoperability Layer. Unsubscribe: openhie-interoperability-layer+unsubscribe@googlegroups.com</p>
<p>OpenHIE Announcements List Archived</p>	<p>Low volume (read: 1-2 emails a month), high membership list for people interested in following the progress of the OpenHIE community as a whole. Unsubscribe: openhie-announcements+unsubscribe@googlegroups.com</p>
<p>OpenHIE Architecture List Archived</p>	<p>One place for OpenHIE community members to discuss cross-cutting technical issues that affect our health information exchange. Unsubscribe: ohie-architecture+unsubscribe@googlegroups.com</p>
<p>OpenHIE Implementers List Archived</p>	<p>The OpenHIE Implementers Network (OHIN) is a forum for countries and implementers to bring their questions, problems and ideas so we can work on solutions together. Unsubscribe: ohie-implementers+unsubscribe@googlegroups.com</p>
<p>OpenHIE Leadship Group List Archived</p>	<p>This group is made up of the community leads who are operationally focused and working to spearhead the development of aspects around OpenHIE. For questions contact Jamie Thomas.</p>
<p>PEPFAR Data Exchange Implementer Community Active</p>	<p>Used for knowledge sharing for those actively involved in data exchange with DATIM and other PEPFAR systems. Post: pepfar-data-exchange-implementer-community@googlegroups.com Subscribe: pepfar-data-exchange-implementer-community+subscribe@googlegroups.com Unsubscribe: pepfar-data-exchange-implementer-community+unsubscribe@googlegroups.com</p>
<p>Shared Health Record Community List Archived</p>	<p>Used for all shared health record project communications. Unsubscribe: openhie-shr+unsubscribe@googlegroups.com</p>

<p>Supply Chain Subcommunity</p> <p>List Archived</p>	<p>This group engages with OpenHIE to leverage knowledge from real-world projects and the learning from OpenHIE to explore the use/creation of standards and standard processes that might be used to support healthcare supply chain tasks.</p> <p>Unsubscribe: openhie-supply-chain+unsubscribe@googlegroups.com</p>
<p>Terminology Service Community</p> <p>List Archived</p>	<p>Used for all terminology service project communications.</p> <p>Unsubscribe: terminology-services+unsubscribe@googlegroups.com</p>
