

# 2013-07-16 SHR Community Call

## Agenda

- Does OpenMRS seems like the best way forward, should we consider the build from scratch option?
- There are two main issues for this group to tackle to build a SHR (are there others?)
  - What changes do we make to OpenMRS for it to be an effective SHR
  - What stack of standards to use
- AOB

## Recording

An audio recording of today's call will be available for [replay](#).

## Minutes / Collaborative notes

You can access real time Google Doc notes [here](#).
