Description

ALL ARE WELCOME!

The calls are designed to get input from various community perspectives.

- **SubCommunity Alignment Calls** will focus on sharing topics and information across various sub communities.
- **HIE Project Sharing Session** will focus on hearing about the use cases and data exchange patterns from various projects.
- The **Architecture Summit** calls are designed to gather input from the whole community.
- **Architecture and Standards Meeting** calls are designed to allow for community members to bring forward topics related to data exchange and standards.
