# Community Event Calendar

OpenHIE is a community of communities that holds several calls regularly. To see dial-in information, agendas, notes, and recordings navigate to the Communities of OpenHIE page to view individual subcommunities call pages. Also, you can see events OpenHIE is holding here as well.

**Please visit https://discourse.ohie.org to join the conversation.**

---

ⓘ **Subscribe to the OpenHIE Calendar**

- iCal Format for OpneHIE calendar

**Please be aware the iCal link only contains the current information available at the time of download.** Your calendar may not receive real time updates like cancelations or time changes. You can monitor this page for the most accurate schedule of calls & also follow the community forum for updates.

---

ⓘ *The calendar below will display events based on the time zone set in your profile settings. **The default timezone is UTC**. If you subscribe below to a calendar and view it on another application (ie. Google Calendar or Microsoft Outlook) the timezone will adjust based on settings in that application.*
