<u>Call Information</u>

When

Calls take place Quarterly on the 3rd Thursday at 11am US EST.

Please bring potential topics to calls or post to Discourse.

Description

The OHIE-LIS subcommunity will offers a space for knowledge sharing and collaboration around LIS /LIMS to support:

- coordination efforts and transparency into several widely-used mature open source products,
- understanding the use cases each of these LIS products serves,
- gathering best practices and guidelines for implementation, data exchange and data use of LIS data, and
- development of additional high value LIS functions and features (especially components that may not be currently addressed in the landscape).
