

2014-11-13 OHIE-FR Meeting

When: 11/13/2014 at 11:00 AM EDT

Where: Google Hangout

Participants: Scott, Ed J, Clara, Larry L, Roger F, Jack B, Luke D, Mark

Recorded Video: <http://youtu.be/OQJFGFSnesg>

Agenda:

- The agenda will focus on discussing the terminology service and how hierarchical and other common code-sets can be shared from a terminology service to a facility registry. Jack Bowie from the Terminology Service community will be joining and we look forward to lively discussion. Please bring your questions as well.

Outcomes:

- Determination of an opportunity to create a workflow around manage codesets.
- The two actors in this case are a facility registry and a terminology service.
- Subsequent conversations will be required to start
