

InterLinked Registries Community Call

Archive of call from previous years

Call Information

Purpose of this call

As of July 2020, the Interlinked Registries Community has been consolidated with the [Health Worker Registry Community](#) to be more representative of the content and focus. Call schedule and minutes can be found on the [Health Worker Registry Community](#) call page.

To ensure that [Facility Registry](#) and [Health Worker Registry](#) community members and implementers have a platform to connect with each other, discuss requirements, generate guidance and support implementations.

Please visit <https://discourse.ohie.org> to join the conversation.

How to Join

See [Health Worker Registry Community call page](#) for details
