Please note that Regenstrief—generated Zoom links will require the use of passcodes beginning September 2020. For those accessing the call via the ***revised link below***, there should be no noticeable change since the passcode is embedded into the link. For those dialing in via phone, you should not be required to enter a passcode. However, please use "1" if prompted since that is the passcode assigned to OpenHIE-related calls.

If you encounter problems accessing this Zoom link at the time of your call, please contact Michelle Cox via Slack or email (miclcox@regenstrief.org) and mark your message "URGENT – ZOOM".
