Call Information

When

Please note:

We are reconfiguring the OpenHIE Academy structure to make sure that we are getting input from on-the-ground stakeholders concerning capacity building needs and how OpenHIE can best support those. Contact Jennifer Shivers jeshiver@regenstrief.org if you want to be involved. Updated information will be provided in Q1 2022.

Description

The OpenHIE Academy subcommunity calls were created for members of OpenHIE and its [Communities](#) to outline ways to support OpenHIE Implementers and MOHs in their capacity building and implementation efforts. The subcommunity will also help plan and coordinate Academy events at face-to-face OHIE meetings.
