Video Conference Instructions (Movi)

We will be using Movi video conferencing software which requires a guest account. If you need an account please contact [Ryan Yates](#).

Once a guest account has been requested you will receive an email with username, password and instructions on how to set up Movi.

For reference;

- you can find application software and illustrated configuration and user guides here: <http://www.indiana.edu/~video/movi>.
- before signing in, click "Advanced," then type: vc.iu.edu in the Internal VCS, External VCS, and SIP Domain fields. You only need to do this once
- the Movi conference number is 227600

Using a telephone

- a. Dial the Auto Attendant at 812-856-7060.
- b. Enter the conference number (227600) followed by the # key.
